

The more things change...

As a publicly traded company, Ennis meets strict financial standards that allow us to weather economic uncertainty and ensure we will continue our commitment to you. Ennis provides this stability through our growing product lines, distributor partnerships and the good, old-fashioned hard work of our employees. You can trust that Ennis and our industry leading brands will be here when you need us the most.

Thanks for helping Ennis achieve 100 Years.

Ennis Sales Meeting – 1961

EBF opens on Wall Street – 1969

Distributors showed their love with this 1986 giveaway
