

The more things change...

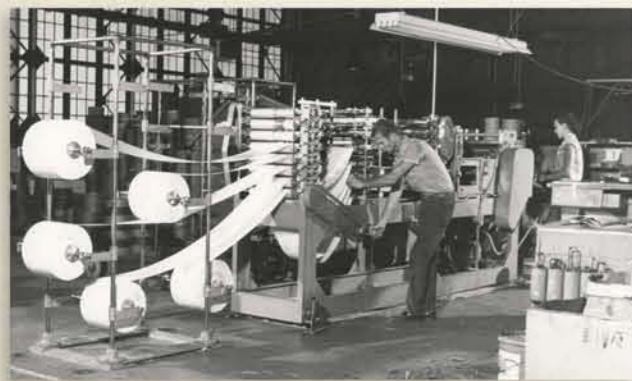

As promised in this 1959 ad, our extensive and diversified product offering continues to make Ennis the print industry pacesetter and a great partner for distributors. Ennis is grateful to its many customers who have contributed to our long and successful history. As customers present new opportunities, Ennis is well positioned for the many challenges that lie ahead. In the future, as in the past, Ennis will continue to be your "Partner to Grow With."

Thanks for helping Ennis achieve 100 Years.
