your **FREE** copy!

Trade Envelopes has created a special marketing piece for distributors. This non-branded sample kit includes product information and a wide variety of envelope samples.

## Envelopes for Every Application

Trade Envelopes has been an envelope converter and printer since 1972. We supply envelopes of all sizes, styles, paper stocks, printing features and special features to the wholesale industry. Envelopes are used daily in nearly every industry, including:

- Automotive
- Hospitality
- Medical
- Financial
- Retail

Even in this day of electronic communication and e-commerce, envelopes are more vital today than ever in the past. They are used in a myriad of applications today and aren't just for mailing.

Filing, storage, security, transport and marketing are just some of the millions of ways envelopes are used. Your customer uses them and Trade Envelopes can supply them to you.
