Ennis Acquires CFC Print & Mail

Midlothian, TX., November 17, 2025 – Ennis, Inc. (the “Company”), (NYSE: EBF) announced today that it has acquired the assets of CFC Print & Mail (“CFC”), a wholesale provider of business-document printing, mailing and commercial print solutions based in Grand Prairie, Texas.

Founded in 2009, CFC Print & Mail specializes in serving a national distributor network with business-document printing and mailing services, offering industry-leading turnaround times and automation.

In 2025, Print & Promo Marketing ranked Ennis as the largest trade printer in the United States and CFC Print & Mail as the 15th largest trade printer. By adding CFC’s scale, distribution depth and enhanced capabilities that enable quick-turn service of a high volume of customer orders, the acquisition of this key competitor further strengthens Ennis’ leading position in the business products and commercial print sector.

“CFC Print & Mail has built a strong reputation for innovation, service and efficiency,” said Keith S. Walters, Chairman, President & Chief Executive Officer of Ennis. “We are excited to welcome CFC’s employees, customers and distributor partners into the Ennis family. The alignment of our strategic priorities, including quality, responsiveness and national scale makes this an excellent fit.”
